

Cornhuskin' 2012 – Timeline for Wristband Distribution

Meredith Students and GUESTS

At the main event of Cornhuskin' on the evening November 2nd, MRA will enforce the Spectator Guidelines (see the guidelines on the Cornhuskin' web site). All individuals entering the main seating inside the Amphitheater will be asked to have a wristband (including students who are asked to sit within a class section). There are dates and times that need to be honored in order for the evening to be a success for all students and their guests.

Please honor this timeline and deadlines:

- Monday, October 15 at 8am – Wednesday, October 17 at Midnight – 2012 Cornhuskin' Meredith Student Seat Registration On-line - Each student will receive an individualized seat registration link on October 15th. Each student will be asked to enter information including: name, class affiliation, ID Number, and E-mail address to reserve a student seat in a specified class section (FR, SO, JR, or SR) for the evening of Cornhuskin'. The class affiliation selected will correspond to the class section the student will sit in on the evening of November 2nd. Students will not be allowed into the main event without a wristband.
- Sunday, October 21 at 9pm –Meredith Student GUEST Seating Request Begins On-line Requests for Reserved GUEST Seating will have a new on-line process this year – *look for more details for instructions on this process during the week of October 15th*. This process will be used to request reservations for up to 2 seats for guests of students in the reserved guest seating sections inside the Amphitheater. Students will be asked to complete this first come, first served registration process for a **limited number** of Reserved Guest Seating seats. Completing this request does not guarantee your guest(s) a seat in the Amphitheater.
- Friday, October 26 at 5pm – Meredith Student GUEST Seating Request Closes
- By Monday, October 29 at 5pm – All students who will receive RESERVED GUEST SEATING spaces will be notified through an e-mail message confirmation.
- Wednesday, October 31 at 8am – Friday, November 2 at Noon – Students who registered for a seat in the Amphitheater through the on-line Meredith Student Seat Registration will **pick up an official wristband at the Office of Student Leadership and Service in 202 Cate Center**. Each student must present a Meredith Student ID for verification when picking up a wristband; wristbands are non-transferrable and non-replaceable.
- Friday, November 2 at 4pm – Confirmed Meredith Student GUEST wristbands will be distributed at the Upper Level Amphitheater Tent. Confirmed wristbands will be available for pick up throughout the duration of the event. *Note: additional instructions will be sent out to students at a later date.*
- Friday, November 2 at 5pm – Gates Open at Amphitheater; Festivities begin at 6pm

****Remember:** There are many alternate viewing areas for guests that do not require a wristband such as the hills on either side of the amphitheater and outside of the gated area (which are in closer proximity to the porta-potties and concessions) and climate controlled seating in Jones Auditorium and Jones Chapel.
